ABOUT ME

I am a **20 year** old ICT student specializing in **Artificial Intelligence** and **Software Development**, with hands-on experience in the **TALL stack**, **SQL**, **Python, and Linux systems**. Interested in applying programming and analytical thinking in real-world IT projects.

With a motivated and **adaptable mindset**, I am eager to expand my expertise and master new technologies.

EDUCATION

Artificial Intelligence
2023-Present
Thomas More
Kleinhoefstraat 4,
2440 Geel

Industrial ICT
2021-2023
Provil Institute
Duinenstraat 1,
3920 Lommel
